

> RUGGED

The Kyman™ rugged mobile computer is designed to survive demanding environments and provide ergonomics that reduce operator fatigue. A sturdy outer case with overmold protection ensures reliability and robustness. Kyman™ resists harsh environments, multiple drops, strong shocks, repetitive tumbles and freezing temperatures

> FLEXIBLE

Kyman™ is available in hand-held and pistol grip models. Its detachable handle provides maximum flexibility switch between hand-held and pistol grip operations, without affecting Kyman's™ intrinsic robustness

> VERSATILE

Kyman™ offers a full range of Data Capture options including RFID HF-ISO, Voice Recognition and bar code. 2D Imager, standard laser, high performance laser and extra long range laser options provide data capture from near contact to several meters away. A vast variety of symbologies enable Kyman™ to meet every market and application objective.

Kyman™ simultaneously supports any network option - LAN, WAN and Personal Area Networks. GSM/GPRS/EDGE takes Kyman™ on the road making real-time transactions and enterprise resource access possible. 802.11 b/g CCX V4 certified offers all the advantages of the Cisco WLAN infrastructure and the latest in security protocols, WPA™ and WPA2™

> STANDARD

Kyman™ maximizes operations for the enterprise using the powerful Intel X Scale PXA270 series processor. The standard Windows Mobile and Windows CE operating systems increase the return on investment through seamless integration and ease of deployment

FEATURES

- > Laser scanner with "Green spot", providing good read feedback (Datalogic patent), High Performance and Extra Long Range Laser, Imager and HF RFID reading options
- > Microsoft Windows Mobile 6.0 and Microsoft Windows CE 5.0 operating system
- > Bluetooth® wireless technology
- > Summit embedded Wi-Fi for enterprise-class mobile connectivity with CCX V4 certification
- > GSM/GPRS/EDGE communication options
- > 1.8 m (6 ft) drop resistance
- > IP64 protection class
- > Large high visibility color graphic display with touch screen
- > Voice and VoIP support
- > Wavelink Powered™ with pre-installed and pre-licensed Wavelink® Avalanche™ and Terminal Emulation

ΔPPLICATIONS

- > Field service automation
- > Parcel Pick-up and delivery
- > Proof of delivery
- > Route accounting
- > Meter reading
- > Warehouse management
 - > Inventory/picking
 - > Shipping/receiving
 - > Shelf replenishment
 - > Price management
